

THE NOSTALGIA of DISCOVERY

2023 LEGENDARY PARTY

Proceeds for The 2023 Legendary Party will benefit Shepherd Center's new Innovation Institute, which is a vital part of our expansion efforts in our Pursuing Possible comprehensive campaign. Housed in the new Marcus Center for Advanced Rehabilitation, the Innovation Institute will be a 30,000-square-foot, state-of-the-art facility that will be the destination for data-driven decision-making that informs precision rehabilitation and innovative personal solutions. With the expansion of our innovation programming, we will integrate the latest in data science, groundbreaking rehabilitation technologies, and revolutionary care models for transformative solutions that restore, sustain, and protect the lives of people requiring neurorehabilitation locally, nationally, and worldwide.
